15. Coach has used a variety of legally-protected trademarks, trade dresses, and design elements/copyrights and patents for many years on and in connection with the advertisement and sale of its products, including those detailed in this Complaint (together, the "Coach Marks").

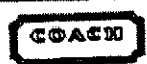

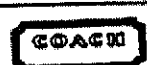

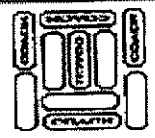

16. Coach has expended substantial time, money, and other resources in developing, advertising, and otherwise promoting the Coach Marks. As a result, products bearing the Coach Marks are widely recognized and exclusively associated by consumers, the public, and the trade as being high quality products sourced from Coach, and have acquired strong secondary meaning. Coach products have also become among the most popular in the world, with Coach's annual global sales currently exceeding three billion dollars.
